

Dear EGF representative,

This is the invoice for your annual membership fee.

In the 2021 AGM a new membership system was accepted. We changed to a system of a fixed fee per active player stronger than 10 kyu (EGD rating 1050) who played at least one tournament within the last 3 years. The minimum fee is € 50.

The membership fee per player will be € 6,25 like in 2025.

The deadline for payment of this invoice is 1 April 2026. After this date we are authorized by the AGM to impose a late payment fee of 20%.

IGF membership fee

Like in previous years it is possible to pay the IGF membership fee to the account of the EGF. You can also do this later after receiving the 2026 invoices of the IGF. We will consolidate all IGF payments and transfer them later this year to the IGF. Please add a some extra (around 2 €) to cover exchange rate fluctuations and transfer fees to Japan.

Payments

If you cannot make the transfer, then please contact me about a settlement or other possible ways of making the payment, a bank transfer is the preferred method though. If the transfer rates are high, you can also check if you can make cheaper transfers by the website wise.com.

If you choose to use Paypal for the payment, please add 5% extra as their business transfers fees are very high.

Please remember: This membership payment should be made before 1 April 2026! If you fail to do so, you will be charged a 20% penalty fee.

In the attachment you will find all information about the Bank Account. Best regards,

Harry van der Krogt
